#### Partnering with carers in health care

SA Health is committed to partnering with carers. The SA Health Partnering with Carers policy was developed with Carers SA and carer representatives to reflect the priorities and needs of unpaid carers and establish principles and standards. The policy identifies what is important to carers, based on feedback from carers and includes clearly defined roles and responsibilities for SA Health staff. Further information is available at **www.sahealth.gov.au** 

## Privacy

To make sure our clients receive the best possible care, we often need to gather and keep sensitive and private information about them. Everyone who works and volunteers for SA Dental must keep information private under federal law and follow the SA Health Privacy Policy Directive available at **www.sahealth.gov.au**
